

TRUST (REVOCABLE)	SERVICES CHARGES: \$1500
<p>A Trust allows you to place all of your assets inside of the Trust during your lifetime. You will have ownership of the items through your Trust and the disbursement designations you have selected will carry forward.</p> <p>Trust document will include the creation of other documents necessary to ensure the Trust has its desired effect. The Trust further allows your heirs to avoid going through the Probate process for the Trust.</p> <p>Your heirs will have access to needed funds immediately without the delay of waiting for a Probate process to be completed. This estate tool will provide you with an extended consultation and a detailed estate package. Visit our Facebook page.</p>	
ADVANCED HEALTH CARE DIRECTIVE	SERVICES CHARGES: \$200*
<p>This document will provide you with the opportunity to identify all of your medical desires in the event you are not able to speak for yourself. It also designates the person to whom hospitals and doctors will speak to regarding your medical care and related details; it specifically designates whether you would want CPR, and other life-sustaining procedures and resources.</p>	
POWER OF ATTORNEY	SERVICES CHARGES: \$200*
<p>These documents allow a person to act on your behalf to transact any business or other matters for you. They would be able to stand in your shoes related to bank accounts, buying & selling property, etc. This is a convenience for when you are not available, and an invaluable tool if you are incapacitated for any reason.</p>	

**We provide a reduced fee for the Advance Healthcare Directive (\$150) and Power of Attorney (\$150) when purchased in conjunction with a Will (Simple or Standard) or Trust.*

OUR LITIGATION FEES

We provide representation in uncontested matters for a flat fee of \$1,800.00. This fee includes your initial consultation, legal research, document preparation, reasonable dialogue with family and uncontested court representation.

For contested matters, we assess a retainer in the range of \$1,800.00 to \$2,500.00 and bill against it at an hourly rate. We will provide you an estimate of the time and expense expected for your particular case and request that you make deposits into your client account to prepay fees as needed. In all cases, we charge a reasonable rate and handle cases in the most efficient way to avoid surprises and mounting legal fees.
